Dear Parent/Carer

Year Four Educational Visits and Trips 2019-2020

We are writing to provide you with details and approximate costs of the visits and trips that will be taking place this academic year. We hope that this will give you an overall view of the dates and prices involved, enabling you to budget accordingly.

This is our best guess at what will be coming up in the year ahead but there may be other trips arranged as the year progresses, for example sports competitions. We will give you as much notice of these as possible.

Families in receipt of free school meals will not be required to pay for these activities, with the exception of residential visits and the school will continue to fund events for these families.

Should we have any concerns about your son/daughter's behaviour, we will contact you to discuss his/her place on trips. We reserve the right to not take any student whose behaviour is considered in any way antisocial or unsafe. The Academy is required to undertake a risk assessment for all trips and visits. We cannot allow any student to take part in an activity unless any risk involved is assessed as being low. Details of the trips and our expectations will be conveyed to students via assemblies and during class time.
