

# CROSSHALL CLOSE UP

Dear Parent/Carer

It has been a difficult week for several staff and families, whilst we cope with the additional demands and worries that COVID brings.

Thank you for the many messages of support; we know we can rely on our community to 'lift us'. We continue to help families with food, support and advice. Please let us know if you would like our help.

I have been in daily contact with the LA and PHE and they acknowledge the difficulties that relaxing society's protocols brings, especially as we have grown accustomed to their reassurances.

We are doing our best, with the measures at our disposal; no school is able to close due to COVID only through staff shortages and we continue to support our community by going the extra mile.

The stars have really been the children who respond to change with positivity, on the whole, and even some excitement! The staff and parents are skilled at reassuring and modelling resilience.

Thank you again

**Anne Eardley**

Head Teacher

## CROSSHALL JUNIOR SCHOOL ON ITV ANGLIA NEWS!

**Our wonderful students were on ITV Anglia news last week! Did you catch it?**

In a segment all about raising future aspirations and challenging stereotypes, some of our Year Six students spoke eloquently about their ambitions for the future. Our award winning Future Me programme has been instrumental in developing this kind of thinking and has nurtured the aspirations of our children as they have gone up through the junior school. Well done to all, and as our school motto states, may you all '**Achieve Your Dreams!**'

Click [HERE](#) to view the segment.

## UPCOMING EVENTS

FOUR

**12th November**

Children In Need Day

## PARENT & CHILD LEARNING REVIEWS (PCLRs)

If you have yet to make an appointment for a video consultation with your child's class teacher, please visit <https://crosshalljunior.schoolcloud.co.uk/> to book an appointment by the end of the day today at the very latest. PCLRs will be held on Monday 18th, Tuesday 19th and Wednesday 20th October. **They will be remote, via video link, on the School Cloud System.**

## PARENT NOTIFICATIONS WITH GOOGLE CLASSROOM

With our recent change to using only online tools for setting and monitoring home learning, some parents have informed us that they sometimes lose track of what has been set and when. If you would like your email address to be used to inform you when an assignment is set for your child, complete this short form: <https://tinyurl.com/CJSGClassEmail>

Please note, this will email a notification of all work set on Google Classroom; sometimes this will be classwork, but the titles of assigned work should make it clear what the work is.

We will endeavour to have email addresses added within a week of receiving them.

## SURVEY OF ACTIVITIES & RESOURCES FOR YOUNG PEOPLE IN ST NEOTS

St Neots Schools Forum is asking parents/carers to fill out a survey regarding activities and provisions for young people in St Neots. We would appreciate it if you would take five minutes to give your views. Click [HERE](#).
