

# CROSSHALL CLOSE UP

Dear Parent/Carer

We have really enjoyed a magical December with the children.

Last week, 4BH was asked to write an argument about why all the children should have each Wednesday off school. No one could think of a good reason, so the theme had to be abandoned!

Obviously, being at Crosshall Junior School is just ... well, ...great.

Today, the staff danced, acted and sang their way through a Wham! Christmas classic to add a bit of sparkle to the season. We had fun and the children seemed to love it!

Our whole community deserves a fantastic, festive, family holiday, so I wish you all a wonderful COVID-free Christmas.

Keep safe, healthy and have fun

**Anne Eardley**  
Head Teacher

*The vast majority of children are really enjoying using Century, our A.I. tutor. Since we enrolled, over 10,500 nuggets and 105,000 questions have been completed. The children have been motoring!*

## PTA CHRISTMAS SHOP & TEA TOWELS

Huge THANKS to our wonderful PTA team for the great Christmas Shop last week! The children loved browsing all the gifts and we hope you enjoy opening those gifts on Christmas morning!

Thanks to all the parents/carers who ordered the PTA Tea Towels. The PTA tea towels have now been sent home with the children. We hope you like them. If there are any problems with your order, please email [crosshallpta@crosshalljunior.co.uk](mailto:crosshallpta@crosshalljunior.co.uk). and a member of the PTA will get in touch. This inbox will be manned until 19th December. Thank you as always for your support!
