

25<sup>th</sup> February 2022

Dear Parent/Carer

### **Year Three D.T. and History Egyptian Workshop**

As part of our history topic all about the Ancient Egyptians and our D.T. topic linked to structures, we have arranged for a company called Architecture Workshops to come into school and lead a hands-on, cross-curricular workshop for the children on Monday 28<sup>th</sup> March.

The Ancient Egyptians are explored through their Pyramid building feats and techniques for cutting and transporting the stone. Children will have the opportunity to build small and giant pyramids and discuss the comparison of mass construction of stone pyramids with framework structures of today.

We would appreciate a voluntary contribution of £4.00 per child to enable this visit. Please indicate on the reply slip below whether you are able to make this contribution.

Yours sincerely

**Mr Dorey**  
*Head of Year Three*
