

CROSSHALL CLOSE UP

Dear Parent/Carer

Life is certainly busy at the moment and Crosshall Junior has 'hit the ground running'!

During the past two weeks, we have had a Mexicolore visit, the Life Educations Bus, a Clubs Fayre, two residential briefings, a parents event to find out more about Accelerated Reader and Future Me, families having lunch together and the Open Door Week. Year Six is about to visit Legoland as part of the technology project.

Next week, we hope you will be able to support the Macmillan Coffee Morning, where you can have a drink and a biscuit with your child. There will also be a few other activities for you to join in with, such as a raffle. It will be busy so please forgive the queues. We hope to raise the money to support cancer patients' care.

During COVID, people used to say that 'this is the new normal' – and it wasn't true. All these events indicate that finally things are normal. Have a great weekend and thank you for all your support

Please note we are a nut free school and cannot sell anything containing nuts or nut products. Please bring cash for teas, coffees and cakes.
