

23rd September 2022

Dear Parent/Carer

YEAR FIVE RESIDENTIAL TRIP TO YORK
Monday 20th to Thursday 23rd February 2023

Following the information evening earlier this week, we have received queries regarding the cost of the York residential trip and would like to offer some reassurance as to the maximum this will be.

To make the visit viable, we would need to take a minimum of seventy five pupils. The maximum cost would then be £269. This would decrease if more pupils attend, for example, with eighty five children, the cost would reduce to £240, which is cheaper than originally estimated.

We hope this information will be of some assistance.

Yours sincerely

Angela Connor
Head of Year Five
