

CROSSHALL CLOSE UP

Dear Parent/Carer

We had an amazing response from the community to our Macmillan Appeal today – it was so busy!

Over a hundred and fifty families – mums, dads, brothers, sisters, grannies and grandads - joined the coffee morning. It was great seeing friends catch up and children spending a little bit of extra time with their relatives.

Everyone seemed to enjoy relaxing together inside on a damp Friday.

We believe we have raised over £800 for this great cancer charity, and we are still selling raffle tickets. The final total will be announced next week.

Thank you everyone who donated and attended.

Anne Eardley

Head Teacher

SCHOOL LED CLUBS

All club allocation emails have been sent to parents/carers.

If you applied for a place in **Choir Club**, please be advised that due to the high volume of applicants, Mrs Hamilton-Peck will be holding auditions next Wednesday lunchtime. Please let your child know they should attend the audition.

APPLYING FOR A SECONDARY SCHOOL PLACE

YEAR SIX

Year Six parents/carers, please don't forget to apply for a secondary school place for your child. Click [HERE](#).

GOOGLE CLASSROOM

Now the children are comfortably logging in to their Google Classrooms and other accounts, please may we remind parents/carers that only their children should be posting messages and using these accounts.

As part of their learning about how to be safe online, we encourage children to not share information and passwords, and it is helpful to model this behaviour with school-based software.

If parents/carers wish to contact teachers, please email office@crosshalljunior.co.uk

LOST PROPERTY

We will be trying to keep on top of lost property by clearing it every two weeks. If items which are unnamed are not claimed they will be passed on and sold at the preloved sale.

Please can you ensure you label every item your child bring into school.

ASK YOUR CHILD A QUESTION:

YEAR THREE

What types of teeth do you have and what function do they each do?

YEAR FOUR

How can you be safe on the internet?

YEAR FIVE

What are the five needs for physical health? What about mental health? (Think: Life Bus)

YEAR SIX

What did you learn at Legoland and how will this help you in your D&T learning?
