

CROSSHALL CLOSE UP

Dear Parent/Carer

Over the past six weeks, we have been very impressed with how hard the children have worked towards achieving the school values of Ambition, Resilience and Kindness. More Head Teacher Awards have been given out than this time last year – so many congratulatory texts have been sent to parents!

Children have been taking more pride in their work, they have persevered when things became tougher and there have been inspiring moments of kindness towards others.

A group of our youngest children, in Year Three, has been inspiring other children...and adults!

Our Arts Council for 2022 – 23 was in need of new members and these students went 'above and beyond' with their presentations to become the Arts Ambassador for their class.

Although only one child could become the initial representative, they were all supportive of the eventual elected representative.

Amazing Year Three – the embodiment of our values!
