

14th October 2022

Dear Year Four Parent/Carer

We have had a case of head lice reported in your child's class.

Please check your child's hair and treat if necessary. If your child does have head lice the hair should be treated twice to avoid live lice emerging from unhatched eggs which were unharmed during the first treatment. Hair must be checked again ten days after the first treatment.

Please ask your local pharmacy for assistance.

Thank you for your help with this matter.

Yours sincerely

The School Office
