Dear Parent/Carer

### **ROCK UK Information Session**

Firstly, thank you to all who were able to join the virtual ROCK UK meeting this week. It was greatly appreciated, and I hope it was useful.

I am aware that some of you were not able to make it, so I have attached the PowerPoint slides for you to look through which has most of the information that was given during the meeting.

As it was said in the meeting, we feel it would be such a great opportunity for the children and they will learn new skills that they may not learn in the classroom. It will build self- esteem, resilience, independence and most of all they will have so much fun!

Please see the link below for a short video from the centre that will hopefully answer some of your questions. In the meantime, if you do have any other questions, please email the office and we will be happy to answer them as best we can for you.
