

CROSSHALL CLOSE UP

Dear Parent/Carer

You may or may not already have your Christmas decorations up at home but we have certainly been feeling the Christmas vibe here!

The school has been filled with the sound of Christmas, the sights of Christmas, and even the smells of Christmas, as spices were mixed, gingerbread was baked, and pinecones appeared—as if from nowhere!

We have also been crafting galore!

The children will take home most of their festive treats today for you to enjoy, though some will remain in school until 21st December.

I still have most of my children's school-made decorations at home.

Enjoy these treasured times!

23 days to go to the big day!

SPREADING KINDNESS AND JOY THIS FESTIVE SEASON

With the start of December upon us, some of the children of class 6HV have been busy creating an advent calendar to spread kindness and holiday cheer around the school. Mrs Blackwell, Anthony, Francesca, Eliza, Summer, Rosalie, Freddie, and Jonah have worked very hard to create a handcrafted advent calendar to emphasise kindness—one of our themes from Crosshall's ARK motto. The children will open two cubes a day so that each child can take a turn before end of term. The child then has 24 hours to complete their act of kindness task throughout the school and wider community to put smiles on people's faces!
