

CROSSHALL CLOSE UP

Dear Parent/Carer

Each child in every class has a leadership role within it. One of the most important roles is the Class Ambassador role.

Children either volunteer or are selected to undertake this responsibility and each class has one or two reps. The children are shown how to greet visitors, and what they may like to discuss, show, or raise.

It is a way of improving social skills, or displaying a talent for speaking and listening, but each Ambassador understands that they are representing their class and the school.

Our visitors last month were very impressed by the warm and articulate welcomes they received, so well done Crosshall Superstars!

Anne Eardley
Head Teacher

YOUNG CARERS GROUP

Last week, we welcomed Annabel from Caring Together to join our Young Carers Non-Boring Club. Great fun was had by all; making mess, amazing stress balls, and playing games. We are already looking forward to next month's meeting. More information about what Caring Together offers can be found here <https://www.caringtogether.org/> Please feel free to contact us via The School Office if you would like more information about Young Carers.

YEAR FOUR - MATHS MORNING (TUESDAY 24th)

We had such a fabulous morning on Tuesday! The Year Four children and parents thoroughly enjoyed our maths event. It was so lovely to see parents/ grandparents helping their children, and children helping them! The scavenger hunt really tested everyone's maths skills. It was a lovely morning of learning and fun for all.

Thank you all so much for attending. I hope it was worthwhile and you enjoyed spending time with your child in the school environment. I look forward to seeing you all again for the next event.

Mrs A Archer

Head of Year Four

BAKE SALE LAST FRIDAY

Last week's bake sale was a great success with over £135 raised for Support Ukraine. Well done to Kim K-G, Julia C, Ela M, Layla M, Faye P, Summer M, Brooke M-C, Bella R, Yuliia C, and Elodie J for all their efforts and hard work.

#ASKCJS - SPRING 1 - MAKING LEARNING STICK

Thank you to the three parents who joined Mr Murphy on Wednesday afternoon. It was a pleasure to share some knowledge of how our school is developing our understanding of memory, and how frequent retrieval of information can move knowledge from short term memory into long term memory. For those who were unable to attend, we will share the information next Friday (3rd February)

DEADLINES & REMINDERS

TTRS HOUSE BATTLE NEXT WEEK:
Belfast v Edinburgh

	COINS	Freyja S
	IMPROVED	Esme B

ASK YOUR CHILD A QUESTION:

Can you tell an adult how igneous, metamorphic and sedimentary rocks are formed?

What is the rule when multiplying by 10 and 100?

What were the other members of your family's favourite books when they were young?

Use some expanded noun phrases to describe Canada's mountains and lakes.
