

27th January 2023

Dear Parent/Carer

Parent and Child Learning Reviews (PCLRs) – Video Appointments

Parent and Child Learning Reviews will take place week commencing 6th February. They will be online via video link.

We would like to invite you to book a video appointment with your child/ren's class teacher by visiting <https://crosshalljunior.schoolcloud.co.uk/> and enter your details to make an appointment. The appointment portal will be open from **Friday 27th January at 3pm.**

School Cloud now has the capability of allowing two parents from different locations on the same video call. One parent must make the booking, and then invite the other. A guide is available with this week's Letter Day email. Please do this instead of booking two appointments for one child.

The booking system will close at 10am on Friday 3rd February.

Please note, appointments last fifteen minutes, and the system automatically ends the call. The teachers have no control over this.

Yours sincerely,

The CJS Office Team
