CROSSHALL JUNIOR SCHOOL WEEKLY UPDATES | W.E. 26.05.23

Dear Parent/ Carer,

It is the end of a very busy half term for us all.

Not long ago, we were listening to others speak about the 'new normal' - separation, absence of community, lack of enrichment and some sadness.

Throughout that time, we kept positive and did what we needed to do - and more. That all seems such a long time ago now.

Fast forward to now, and the school is thriving again!

One of our Crosshall Values is Ambition, and along with Kindness and Resilience, it is certainly at the heart of everything we do. We want our community to be proud that their children attend Crosshall Junior School.

We have outstanding staff, governors and PTA; supportive parents and wonderful students, and...our community helps us enrich their lives.

Have a wonderful holiday - you all deserve one!

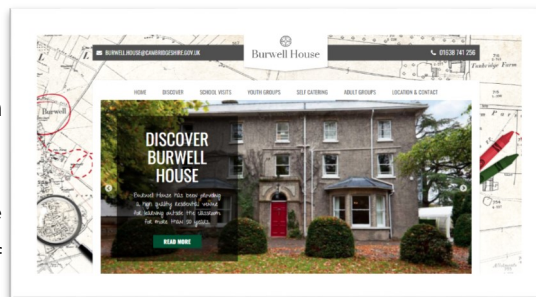

Anne Eardley | Head Teacher

BURWELL RESIDENTIAL TRIP

Our Year Three classes have been on their residential trip this week.

Well done to everyone involved - these trips take a lot of organising for both staff and parents. The children who have returned already have really enjoyed the experience. The days and evenings have been filled with fun activities, interesting learning, and confidence building for our Year Three students.

We will share photos and more details after half term.

ADVENTURE PLAYGROUND AND PIRATE SHIP - IN-SCHOOL TIME USE ONLY

Reminder: **children are not to use the Adventure playground or the Infant School pirate ship before or after school.** These areas are for in-school time use only.

ONLINE SAFETY TIPS - XBOX TOOLKIT

Many children and young people will be using Xbox gaming stations at home and as such Microsoft have put together quite a comprehensive toolkit (a PDF document) for parents, children and young people that goes into quite a lot of depth, including parental controls, guidance for all ages, common safety risks, bullying, unwanted contact and more. There is also age-specific guidance (from 5 years upwards) and case studies
