## CROSSHALL JUNIOR SCHOOL WEEKLY UPDATES | W.E. 16.06.23

Dear Parent/ Carer,

It really is a busy time of year for all the staff and children.

Through assemblies, we have been reminding the children, that whilst it is good to be ambitious for ourselves, others and the school, we must also remember another one of our core values - **KINDNESS**.

When we are busy, (or hot) and situations change, it can be easy to forget other people have feelings and different points of view.

The school is preparing for 2023-24 whilst at the same time maintaining the status quo - great teaching, oodles of fun and opportunity, and a strong wellbeing focus. Crosshall is a good place to be.

Our 'adopted' school cat is definitely at home here! Ask your child about it.

Thank you to all the parents who have recently been in touch showing appreciation. If you are worried about your child, in relation to transition anxiety, speak to a Learning and Wellbeing Mentor.

Have a lovely weekend.

**Anne Eardley | Head Teacher**

## YEAR SIX - ROCK UK RESIDENTIAL TRIP

One word sums up the three days: **amazing!**

The children's manners and respect were excellent, and their independence and leadership skills developed rapidly. What a week!

Everyone loved the challenge of heights in the rock climbing and high ropes activities. Then there were the exhilarating water activities: canoeing, raft building and walk the plank.

The adults were so impressed with their teamwork skills and their ability to push themselves out of their comfort zone.

Well done Year Six. You really did yourselves proud!

## YEAR SIX - DUXFORD AIR MUSEUM

This week, children visited the museum to learn about the Battle of Britain, improve their observational skills and develop their ability to compare (British vs American planes). We even got to see Spitfires flying in the air and landing! The children will use this learning to write a non-chronological report on the Battle of Britain this week.

our recent activities

## YEAR SIX - TALLY HO PROJECT

On Wednesday, the children had the privilege of listening to local Battle of Britain expert, David Duker. Once again, the year group were captivated by Mr. Duker which furthered their learning about the topic. This information will also feed into the non-chronological report they will be writing.

**Letter Day: Every Friday** we send out letters to parents. These are sent direct to your contact email address. If you miss any, they are also available on our website **under Digital Office > Letters to Parents** [HERE](#)

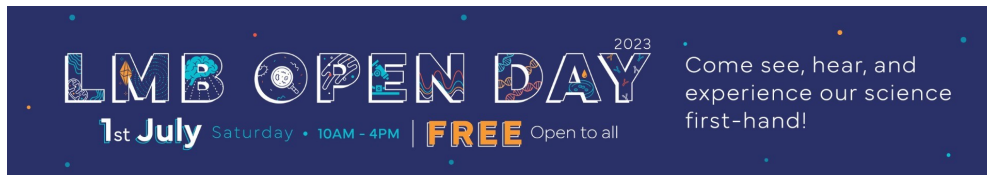

## YEAR FOUR - MULTIPLICATION TESTS

Our Year Four children have worked incredibly hard this week, taking part in the national multiplication checks. They approached the check with enthusiasm and ease, and we are very proud of them. They have spent months practising and perfecting their times tables and it hasn't gone unnoticed. Thank you for all your help at home, practising times tables, ensuring your child accessed TTRS as part of their home learning to practise and being an overall positive, support network. We will receive the results in a few weeks and these will come out to you in due course.

## MRC LABORATORY OF MOLECULAR BIOLOGY (LMB) OPEN DAY 1ST JULY

Head to LMB at CB2 0QH on 1st July to experience and learn about science.

No need to book. Open to all! More details [HERE](#)

## ONLINE SAFETY TIPS - INFLUENCERS

Influencers are people who use their internet clout or celebrity status to promote brands, products, or services online, thereby 'influencing' their audience to change their behaviour in some way i.e. by spending money. Find out more info by clicking on the link below.

## ASK YOUR CHILD A QUESTION:

**Year Three**

What are the different parts of a plant and what are their functions?

**Year Four**

How many lines of symmetry does a regular pentagon have?

**Year Five**

What three tips would you give someone to help them throw a howler successfully?

**Year Six**

What three facts have you learnt about the Battle of Britain this week?
