SCHOOL UNIFORM

As you know, post-pandemic, students have been able to come to school on P.E. Days, wearing their P.E. kits.

This has had several benefits:

- more time for P.E. – rather than spending time changing;
- fewer worries for some students – no changing with other people around;
- better hygiene – the P.E. kits are washed each week.

The P.E. kit should consist of:

plain navy, dark grey or black tracksuit and/or shorts, with a plain white T-shirt, and dark, sensible footwear.

Our uniform was chosen to support parents' budget so that:

- branded items were discouraged;**
- clothes would be easily and cheaply purchased;**
- P.E. stains would not be so noticeable;**
- Uniform would be 'hardy', comfortable, and safe.**

We also created a 'nearly new stock' of clothes that have been laundered and we sell for £1 per item. Please contact the office team or our Learning & Wellbeing Mentors if you would like to purchase.

Indoor P.E.

Additionally, if students wear zipped or hooded tops, they will be asked to remove these. Excessively baggy tracksuit bottoms are also not suitable and, generally, students remove their shoes and socks.

Earrings

Students should remove stud earrings at home on their P.E. / swimming day(s)/ and when on the Adventure Playground.

Clubs/ Matches

Where sporting clubs or matches occur, students should still attend in school uniform, and then change prior to the club or the match commencing.

Other Uniform requirements:

- jade or navy sweatshirts/ cardigans (navy sweatshirt is available in most stores);**
- jade, navy, or white polo-shirts (navy and white polos are available in most stores);**
- plain navy, dark grey, or black trousers (not 'jean style', 'skinny trousers', or denim), or modest length shorts or skirts;**

SCHOOL UNIFORM (cont'd)

- jade or blue-check summer dresses;
- **plain, dark, sensible footwear – not trainers with coloured markings (.e. white lines, white soles, Nike swooshes etc.), open-toed, sling-backs, or high-heels;**
- for art activities: a smock or modified adult's shirt or an apron

Also, we do not allow students to wear nail varnish, jewellery (other than stud earrings), or make-up during the school day.

If a student is in the wrong uniform, we will contact parents to establish why this is the case, and agree a timescale for it to be rectified.

Many thanks for your continued support and helping to keep our community looking smart, being safe, and feeling comfortable – and on a small budget.

We have much to be proud of at Crosshall Junior School.

ABSENCE GUIDANCE

Parent advice from Cambridgeshire County Council:

The information below is designed to help parents understand how and when leave of absence in exceptional circumstances may be granted. The decision to authorise absence is at the head teacher's discretion based on their assessment of the situation. Circumstances vary from school to school and so there can be no absolute rules on this subject.

Term times are for education. This is the priority. Children and families have 175 days off school to spend time together, including weekends and school holidays. Head teachers will rightly prioritise attendance. Generally, absences will not be granted during term time and will only be authorised by the head teacher in exceptional circumstances.

Penalty Notices for term time leave are issued by the Local Authority. The Local Authority cannot override the decision made by the head teacher on an unauthorised absence. If you have any reasons to believe the Penalty Notice should not have been issued please contact the school within 10 working days. There is no statutory right of appeal against the issuing of a Penalty Notice.

Frequently Asked Questions

What are exceptional circumstances? Exceptional circumstances are one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

Can this be reviewed by the Council? No. Only the head teacher of a school can authorise any absence under exceptional circumstances. The County Council cannot override any decisions made by the head teacher.

My child's attendance record is generally good, can I still be issued a fine for short time unauthorised holiday? The Cambridgeshire Penalty Notice Code of Conduct allows Penalty Notice fine to be issued for holiday taken for three days or more.

Which parent receives the fine? Where both parents live together and have day-to-day care and also any absent parent who has frequent contact with the child and is named in the child's school records may receive a fine for each of their children. This will include parents who allow their child to go on holiday with another family member or friend of the family.

Who is fined when parents do not live together? The situation can become complicated where parents do not live together and both wish to remove their child from school at separate times during the same academic year.

Where parents are separated, if an absence request is submitted by the parent not involved with the absence, then both parents may be fined.

Who is considered to have parental responsibility? The definition of a parent is anyone who has parental responsibility for the child and/or any adult with day to day care and responsibility. (Section 576 Education Act 1996). This will include step parents and cohabiters, partners of older pupils if the partner is over 18 years of age and they are living together, other relatives with residency orders.

What happens if I am a self-employed worker e.g. a farmer, is an employee with fixed holiday dates, or is on a holiday rota set by my employer? It is advisable for parents to discuss this with their child's school prior to making any arrangements for absence during school term times. Legislation no longer allows head teachers to authorise 10 days absence from school for a term time holiday. If you are self-employed then you are able to select when you take your annual leave.

We want to go on a trip of a lifetime. Could this be an authorised absence? No, this would constitute a family holiday. The head teacher cannot authorise term time holidays, unless there accept the reason for leave of absence is exceptional.

I have a significant number of relatives abroad and may need to spend an extended period in another country. Could this be an authorised absence? Head teachers are bound by law to discourage families from taking trips during term time, whatever the reason given.

Can I have a payment plan or make part payments? No, The Code of Conduct does not allow part payments or payment plans.

The primary school authorised the absence but I received a PN fine for my secondary school aged child. Is there no consistency? The government has given the authority to individual head teachers to make their own decision based on the explanation provided by the parents. What is exceptional has not been defined by the government and therefore individual opinions may differ between head teachers. However, the county council does encourage schools to work together but at the same time take into account circumstances of the individual child's needs.

Could an absence to attend a religious observance or festival be an authorised absence? Absence that is due to religious observance must be authorised. The day should be marked as authorised where there is an element of worship associated with the religious observance. The religious observance days are set apart by the religious body of the individual religion, not determined by the parents.
