

CROSSHALL JUNIOR SCHOOL ACADEMY TRUST

HOME - SCHOOL AGREEMENT

Home and School: Partnership in Action

THE SCHOOL

Crosshall Junior School provides a high quality education for its students. We have high expectations of our children and we emphasise respect for the individual and support of the principles of a school community.

We believe success is achieved through a partnership with home and school and we ask parents to support our policies in setting standards in dress, behaviour, work and conduct.

Our Aims:

- To enable all children to be successful in every area of their school lives
- To promote an environment whereby children feel happy, confident and eager to find out more

Priorities

Community Values

We instil a sense of responsibility. We promote values such as honesty, integrity and concern for others. The social development of all students means working in co-operation with both students and parents.

Opportunity

We offer all our students a wide range of opportunities to succeed through a broad, balanced and inclusive curriculum. We have extensive ICT facilities, a range of sporting

and language opportunities, a strong performing and creative arts tradition and enrichment classes in a range of subjects. Independence, problem solving and risk taking are promoted, which enhance self esteem and prepare children for future adult life.

Excellence

We are committed to providing our students with a quality education. We actively promote the raising of standards through the continuing professional development of staff and the monitoring and development of learning and teaching. Facilities are upgraded and resources are developed, as part of our commitment to our students' success.

Our children are well prepared for the ever-changing world that awaits them.

Mission Statement

To build foundations of excellence through quality and aspiration in all that we do for our children, so they may live harmoniously together and enjoy success and fulfilment throughout their lives.

Achieve Your Dreams!

Attendance Policy

We are keen to help and support all our children and their parents/carers so they have the best possible experience at Crosshall Junior School and reach their full potential. There is strong statistical evidence to show that children who have excellent attendance are more successful in school and achieve to a significantly higher standard.

We are keen that everyone aims for 100% attendance at school. The table below highlights the link between attendance and learning.

If a child's attendance over a school year ishe/she will miss this many days...	...and this many lessons...
95%	10	50
90%	19	95
85%	29	145
80%	39	195
75%	49	245
70%	58	290

If your child is absent, ring the school by 9.00 am in order that we know the whereabouts and safety of our children.

Medical or dental appointments made during school time, must be kept to a minimum.

Holiday in term time is not allowed and any such absence will be recorded as unauthorised. In exceptional circumstances, requests should be made in writing directly to the Principal.

With effect from September 2015 schools have been advised by the government's Department for Education (DfE) that the Persistent Absence (PA) threshold will be reduced to 10%.

This means that if a child/young person has an overall attendance of 90% or less over a given period, they will be classified as a persistent absentee student.

We monitor attendance daily and support families - particularly those who have an attendance figure of 90% or below.
