

22<sup>nd</sup> March 2024

Dear Parent/ Carer,

### **Key Stage Two Practice Test Papers**

On Monday, your child will bring home a set of 'Key Stage Two Practice Test' papers.

These resources have been designed to support your child in the run up to the Key Stage Two Tests in May by giving your child the chance to practice key skills and become more confident with the tests.

The practice papers will form the Year Six Home Learning tasks for next week and the first week of the summer term. They are being sent home on Monday so that the workload can be spread over the Easter holiday if you wish, rather than in just two weeks (next week and the first week of the summer term).

No Century tasks will be assigned during this time. However, we strongly recommend that your child uses Century to practise anything they find difficult on the practice tests.

The mark schemes will be included in the pack so that your child can self-assess their work.

We would like the **completed papers back in school on Monday 22nd April**.

Also in the pack will be the test papers that your child completed during MOCKs week. This is an opportunity for you to see how your child has done and areas for improvement. You will also find a summary sheet of the raw scores your child achieved and the grade boundaries from the SATs last year.

Thank you for your continued support.

Yours sincerely,

**The Year Six Team**
