

13th September 2024

Dear Parent/ Carer,

Home Learning Resources – CENTURY Tech

We have had to make the difficult decision to discontinue our subscription of CENTURY Tech. Our current subscription will come to an end from the beginning of October.

Until that time, pupils in Year Four, Five and Six are welcome to continue using the platform and you may wish to note any achievements your child has made during their time using it.

Going forward, we shall continue to expect pupils to undertake reading, spelling rule practice and TTRS/NumBots as part of [Home Learning Principles](#).

We are currently looking at options around additional learning resources and requirements. Once concluded, we shall update the school's Home Learning Policy and [Home Learning Principles](#), and communicate expectations with pupils and families.

Yours sincerely,

Mr Liam Murphy and Mr Dan Ainscow
Acting Head Teachers
