

25th April 2025

Dear Parent/ Carer,

Year Five: Visit to St. Neots – Friday 2nd May 2025

As part of our field work in geography, Year Five are going to be taking a walk around St. Neots as the contrasting location to our field work undertaken in Sheringham.

The aim of the day is to compare and contrast St. Neots with Sheringham. We will be surveying the high street, looking at the uses of space in the town and examining the flood defences around the river.

Arrangements are as follows:

Dates: **Friday 2nd May 2025**

Timings: This trip takes place entirely in the school day. Estimated departure time is 9:15am, and we will be back in time for the children to have lunch in school as usual.

Essential: Appropriate clothing for the weather. Children may also wear trainers, but otherwise must be in school uniform with a jumper or cardigan with the school logo on.

Optional Extra: A more substantial snack – they will be doing lots of walking.

If you are able to help on this trip, please contact the school office team.

Yours sincerely,

Angela Connor
Head of Year Five

Should we have any concerns about your child's behaviour, we will contact you to discuss their place on trips. We reserve the right not to take any pupil whose behaviour is considered in any way anti-social or unsafe. The Academy is required to undertake a risk assessment for all trips and visits. We cannot allow any pupil to take part in an activity unless any risk involved is assessed as being low. Details of the trips and our expectations will be conveyed to pupils via assemblies and during class time.

In School Medication:

Asthma If your child is asthmatic, and therefore on our Asthmas Register, please ensure they have an inhaler in school at all times. We will be taking their inhaler on this trip as it takes place during school hours.

Other Medication If we normally keep medication in school for your child, please note that we will be taking it with us on this trip, as it takes place during school hours.

LABELLED AND IN DATE MEDICATION IS THE RESPONSIBILITY OF THE PARENT/CARER. IF A CHILD'S MEDICATION IS FOUND TO BE OUT OF DATE, PARENTS WILL BE INFORMED, IF TIME ALLOWS. CHILDREN WITHOUT IN DATE MEDICATION COULD BE REMOVED FROM A TRIP FOR HEALTH AND SAFETY REASONS.
